“More Reasons to Believe in Jesus” Part 5
Mark 9:14-29

Scriptures: Matt. 28:16-18; Mark 9:19; Mark 9:23

Three Questions:

- 1. Have you experienced disappointment when you brought something to the Lord and you did not see the desired results?**
- 2. Have you allowed yourself to adapt to certain things in life as being “the way it is” and nothing will change it?**
- 3. Are there things that you have experienced for your entire life that seem to encompass what you accepted as being normal?**

“if you can believe all things are possible” there are many reasons and obstacles that prevent us from having the faith to believe.

- 1. Failures of the past**
- 2. Feelings of unworthiness**
- 3. Unconfessed sin for things that we know we have done wrong**
- 4. Failure to walk in holiness and purity**
- 5. Spiritual strongholds from our family heritage**
- 6. Acceptance of things that we believe are a part of our nature**
- 7. Fear of success which will mean that you no longer have excuses for your behavior**
