“More Reasons to Believe in Jesus Part 6
Mark 5:21-42

Scriptures: Mark 9:24,29; Mark 5:23; Luke 7:37-39; Mark 16:16

Three Questions:

- 1. Are you waiting for the cure that will one day allow you to embrace freedom from that which has kept you from enjoying life without physical or mental impairment?**

- 2. Does your faith long for an encounter with Jesus that will change in an instant that with which you have suffered for a lifetime?**

- 3. Does the thought of further delay from deliverance paralyze you with fear of the possibility of eminent death?**

We must surrender to Jesus all the things of our past that will prevent us from allowing faith to take hold in our situation

- 1. Spiritual strongholds from our family heritage**
- 2. Acceptance of things that we believe are a part of our nature**
- 3. Fear of success that will mean that you no longer have excuses for your behavior**
- 4. Obstacles and hurdles that seem unsurmountable spiritually, physically or financially**
- 5. Cultural exclusion that would cause you to forsake any opportunity to pursue**
