“More Reasons to Believe In Jesus” Part 8
Luke 18:35-43
Mark 16:14-18

Scriptures: Luke 18:53; John 14:12; John 20:31

Three Questions:

- 1. Are you willing to allow the Holy Spirit to nudge you out of your comfort zone?**

- 2. Will you accept God’s forgiveness for you past failures to embrace a future of joy and hope of walking in obedience to His leading?**

- 3. If you seek miracles you will probably not find them but if you seek Jesus miracles will find you.**

We must be willing to move from belief to action

- 1. You don't really believe it until you are doing it**
- 2. Faith and belief have no impact without the willingness to sacrifice**
- 3. The enemy will try to undermine your walk with doubt and skepticism**
- 4. The word of God is our foundation for everything we do as believers**
- 5. Don't doubt in the darkness the things that God has shown you in the light**
- 6. Rely on the Holy Spirit for direction in truth and righteousness**
- 7. Remember the three elements of belief FFF, Faith, Fact , Feeling**
