A Forty Day Journey With Jesus

For the next 40 days let us take a journey together with Jesus to discover and embrace a deeper consecration of our lives through dedication to the kingdom of God through reading the word, prayer and fasting. The 40 days that precede the celebration of the resurrection of Jesus on Easter Sunday morning, have been described to some churches as “Lent”. However, our focus will be on taking this opportunity to allow the Holy Spirit to guide us into a greater depth of surrender in order to strengthen our personal walk, as well as inviting others to find a relationship with Jesus.

Besides daily scripture reading and prayer you may choose to fast for a portion or all of the 40 days. I am confident that Holy Spirit will direct you regarding fasting. Should this be the case, here are some of the means of fasting to consider.

- The Daniel Fast: eating only vegetables, fruits, grains, beans, nuts, while abstaining from meat, dairy products sugar and caffeine infused products
- Partial fast: fasting certain daily meals
- Juice fast: natural juices with no added sweetener
- Total fast: water only
- Media fast: TV, internet, social media, movies, etc.
