

Suffering loss to gain Christ is a matter of willingness “to watch our ships burn”

- 1. Willingly watch our ships burn**
- 2. Lose relationships that we thought we could not live without**
- 3. Confront the things that we never should have allowed in our lives in the first place**
- 4. Dying to self in order to become alive to Christ**
- 5. Breaking of the chains of doubt, fear and unbelief**
- 6. Meeting the conditions of the Spirit in order to fulfill your destiny**
- 7. Gaining victory over your deepest regrets**
- 8. Finding your godly uniqueness becoming the person Jesus has intended you to be**
- 9. Being conformed to Jesus’ death to become alive in Christ**
- 10. Laying hold of Christ in the same way he has laid hold of you**
