- 1. Are you willing to admit that there was a time when you thought you had reached the end only to discover that it was the beginning of something wonderful?**
- 2. Can you come to agreement with the fact that you must engage your heart totally in order to find peace and assurance of God’s presence in your life?**
- 3. Have you come to the realization that the freedom that you once thought you needed turned out to be estrangement from truth and liberty that Jesus wants you to have?**
