2 Sam. 9:1,3,7**
- 1. Are you willing to allow the Lord to access your heart on a level that will make you vulnerable to the core of your being as you choose to love someone?**
 - 2. Do you need healing from a relationship that left you totally devastated by someone you gave your heart to and they walked away with it?**
 - 3. Are you willing to abandon your own personal dreams and desires in order to bring comfort, happiness, joy, or relief to someone with no guarantee that you will receive the same in return?**
