1. Can you recall a decision that you made some time ago that you regret, that is still impacting your life in a negative way?

2. Do you believe that you are being held hostage by people who conspired against you at a time of your weakness and inability to advocate for yourself?

3. Can you believe that in spite of your poor decisions Jesus has made provision for you to navigate the difficulties and storms you will face in this life?

Removing the Yoke From Your Neck

• Admit your bad decisions that got you to where you are

• Turn from the rebellion that has caused others pain

• Choose to love and forgive those whom you thought would be your life long enemies
