1. Have you ever allowed your emotions of urgency to push past the gates of common sense?

2. Have you allowed the coercion of a skilled salesman to push you past your threshold of good reasoning to make a bad decision?

3. Have you realized that intelligence and experience are God-given faculties that can keep your spiritual life in concert with His will? 1. Our first anchor is faith in the word and promise of salvation

2. Our second anchor is learning to let go and release ourselves into His hands

3. Our third anchor is hope in the faithfulness of God

4. Our final anchor is thanksgiving and praise knowing that when the dawn comes we will see the victory
