"Uneven Gift Exchange"  
Luke 10:25-37**

**Scriptures: Luke 10:27; Phil. 2:5-8; Luke 6:38**

- 1. Have you ever received a gift that was puzzling to you as to why someone gave it to you because it did not fit your needs or desires?**
- 2. Have you ever allowed yourself to examine your motivation for who, what and why you give gifts?**
- 3. Have you given any thought to the possibility that you could be a conduit through which the Holy Spirit can flow and deposit a gift that could change someone's life?**
