Scriptures: Heb. 11:36-37; Gen. 22:1-5; John 11:16; John 11:21; Rom 8:11; 2 Sam. 11:16,19-20; John 11:32; John 11:37;

1. Faith often does little to change the reality that you are facing

2. Faith does nothing to deflect the feelings of desperation of "what if" it doesn't change or come to pass

Faith does not give you any control over the sovereignty of God but very likely wants you to surrender control over to Him
