The following information is required of all applicants to the Worship Ministry (Dance, Banners, Instrumentalists, Vocalists, and Sound Technicians). Since the Worship Ministry is a public ministry, we highly esteem accountability and church family relationships. Furthermore, your ability to minister is directly affected by your level of commitment, your understanding of the Kingdom of God, and your willingness to allow God to heal and transform your life.

Please answer all the following questions honestly.

1. How long have you attended New Song Community Church? _____

2. Please explain why you would like to be involved in the Worship Ministry

5. We all struggle at times... What are the challenges and growth areas for you at this time in your life?

6. Does your schedule prevent you from serving on Sundays and the described rehearsal times contained in the New Song Worship Ministry Guidelines?

7. In your own words, please describe your definition of "Worship". What Bible verses do you use to define worship? In what ways do you worship Christ in your personal life?

8. Since it is God's earnest desire that we are effective in life and long-term ministry, He will establish checks and balances for us. Please list to whom and in what way you are accountable (i.e. Bible Studies, Home Groups, Mentoring, etc).
