

Taste of Hope Sponsor Form

Why this event?

Since 1997, Abuse Recovery Ministry Services (ARMS) has been providing **free** recovery groups for victims & survivors of domestic violence and abuse, as well as intervention groups for men and women who have used abusive behaviors.

With great success, they have **served over 40,000 women** recovering from abuse, both nationally and internationally. These recovery groups are entirely funded by generous donors.

How you can help change lives:

Help sponsor this great event in support of free, life changing recovery services.

During this 4-hour casual gathering, each person attending will experience a wonderful view setting at Eagles Nest Reserve winery in the rolling hills of Helvetia, a glass of wine or other beverage and a Gourmet meal. Plus, live music and dancing!

They will hear testimonies and stories from survivors whose lives have been transformed through ARMS Her Journey support groups. And receive an opportunity to support thousands more survivors as they work hard towards recovery.
